

# Cooperative Group Assignment Student Worksheet

1. Area open for Development
  2. Shopping Mall
  3. Schools
  4. Apartment Complex
  5. Office & Light Commercial
  6. Federal Property
  7. Light Industry
  8. Single Family residential with some small business
- M.T. Mass Transit  
— Roads  
+++ Multiple Rail Lines

1. Organize a plan for development of Area 1 to present to your classmates (fellow citizens). Use smart growth concepts to assist your group as you deem appropriate. You can draw on your map.

2. Decide which of the following (if any) smart growth features should be included in the area (types, numbers, and where):

- a. Businesses: retail stores, offices
- b. Transportation: roads/interchanges, sidewalks, biking trails
- c. Housing: high or low rise apartments, senior citizen complexes, other
- d. Open spaces: parks, recreation areas

3. Choose a group member to present your group's plan for development of the area. Be prepared to justify your choices.
